

INDIAN RESUSCITATION
COUNCIL FEDERATION

AIMCON 2026

Advanced Integrative Modern Medicine Conference
4th National Annual Conference of Medical Education and
Research Foundation (MERF) in Association with IMA, Bettiah

**Integrating Different Specialities of Medicine for
Comprehensive Patient Care**

28th June, 2026; Bettiah

**Venue : Shubharambh, Singhachapar road, Sarisua, Bettiah, West
Champaran, Bihar**

Dear Colleagues,

Integrating modern medicine has become increasingly vital for optimal patient care in recent times. Although modern medicine is divided into numerous specialties and subspecialties, it is important to remember that medical ailments do not confine themselves to these divisions. Every medical problem requires comprehensive and timely care, whether reported in a primary care setting or an advanced care facility.

The Academic Council of AIMCON 2026 is proud to host a groundbreaking conference where care providers from all disciplines come together to exchange knowledge and insights, all aimed at enhancing patient care in the realm of Advanced Integrated Modern Medicine. On behalf of all members of the Academic Council, I extend a warm welcome to all faculties and delegates from across the country. Join us in this medical festival dedicated to learning and collaboration.

We look forward to hosting you in Bettiah to ensure a purposeful and unforgettable experience.

Welcome!

Dr Kumar Saurabh
Organizing Secretary

Dr Rakesh Raushan
Co-Organizing Secretary

Dr Sunny Singh
Organizing Chairman

Dr Arvind Kumar
Academic Secretary

Dr Amitabh Chaudhary
Convenor

Dr Mohanish Sinha
Academic Chairman

Workshop and Training course of BCLS & CCLS is being conducted by Medical Education and Research Foundation (MERF) approved by Indian Resuscitation Council Federation (IRCF) in collaboration with IMA, Bettiah

<p>THE PROFESSIONAL BODIES WHICH ARE PART OF THE FEDERATION:</p>	<p>Endorsed by:-</p>
<ul style="list-style-type: none"> • Indian College of Cardiology (ICC) • Indian Society of Anaesthesiologists (ISA) • Association of Emergency Medicine Educators • Indian Society of Critical Care Medicine (ISCCM) • Indian Academy of Paediatrics (IAP) • Trained Nurses Association of India (TNAI) • Indian Medical Association (IMA) • American Association of Physicians of India (AAPI) • Global Association of Indian Medical Students (GAIMS) • EMRI Green Health Services (formerly GVK EMRI) 	<ul style="list-style-type: none"> • European Resuscitation Council • Association of Emergency Medicine Educators • American Association of Physicians of Indian Origin • NTR University of Health Sciences

<p>1. BCLS (Basic Cardiopulmonary Life Support)</p> <p>Who should take BCLS:-</p>	<p>2. CCLS (Comprehensive Cardiopulmonary Life Support)</p> <p>Who should take CCLS:</p>
<ul style="list-style-type: none"> • MBBS students, interns • Nursing students & staff • Paramedics, lab technicians • Medical assistants • First responders (ambulance staff, police, firefighters) • Even non-medical persons (teachers, office staff, general public) 	<ul style="list-style-type: none"> • Doctors (MBBS, interns, residents) • ICU / Emergency department staff • Experienced nurses • Anaesthetists, critical care professionals

IRCF Guidelines and courses fulfil the mandatory requirement of NMC for training of all graduate and post-graduate students and also NABH accreditation.
